# QSO

15 Frowein Rd, bldg. C, Unit 4, Center Moriches, NY 11934

Welcome to QSO, where *innovation meets inclusivity!*

We're not just another company – we're a passionate team dedicated to revolutionizing office spaces and fostering environments where everyone feels empowered to thrive. As a proud certified Minority Business Enterprise, diversity isn't just a buzzword for us – it's at the core of everything we do.

At QSO, we offer a unique blend of our own cutting-edge products alongside partnerships with other leading furniture manufacturers. This allows us to provide you with a comprehensive range of solutions, tailored to your specific needs and preferences. From our sleek office lockers to handpicked offerings from trusted collaborators, we're committed to bringing you the best of the best.

But it's not just about what we offer – it's about the experience we deliver. With a reputation for unparalleled customer service, we go above and beyond to exceed your expectations at every turn. Our track record of successful collaborations with prestigious global companies speaks volumes about our commitment to excellence.

What sets us apart? It's our people. Our dedicated team brings together a wealth of industry experience and a passion for innovation, ensuring that every project we undertake is transformative and tailored to your unique needs.

But our mission doesn't stop there. We're on a mission to create more than just beautiful office spaces – we're creating communities where diversity is celebrated, creativity is encouraged, and inclusivity is non-negotiable. Because we believe that the key to success lies in building environments where everyone feels valued and heard.

Join us in reimagining the future of work. Together, let's create spaces that not only inspire greatness but also foster a sense of belonging for all.

Welcome to QSO – where every workspace tells a story, and every story is worth celebrating.

Sincerely,

*QSO Team*

**Tarsis Carrion's** journey is a testament to the American spirit of perseverance. Arriving in New York in 1994 she embarked on a mission to carve out her path to success. Diligently overcoming language barriers, Tarsis pursued higher education and earned her degree from NYC Technical College.

Starting as an apprentice in the printing industry, Tarsis demonstrated her dedication and quickly advanced through the ranks. Eventually, she found herself as a print buyer at Macy's.

## **MANAGING PARTNER**

Over 14 years, Tarsis thrived as a Project Manager, accumulating invaluable experience that ultimately led to securing a Director's position in 2013. Driven by her entrepreneurial vision, Tarsis founded Quick Ship Office, a respected provider of furniture products and services. Under her leadership, QSO has cultivated partnerships with both esteemed global companies as well as small family businesses. The company's expansion includes the establishment of an E-commerce furniture boutique and the introduction of the QSO-branded line, featuring innovative office solutions for hybrid offices.

---

**Scott Lesizza** has dedicated his entire professional career to the office furniture industry. His journey began at Humanscale, one of the world's premier furniture manufacturers. Throughout his tenure at Humanscale, Scott consistently distinguished himself as the top sales representative.

In 2002, Scott embarked on a new chapter by founding Workwell Partners, a distinguished furniture dealership located in the heart of midtown Manhattan. Over his 16-year tenure at Workwell, Scott worked with some of the world's most recognized companies and developed a passion for designing custom furniture solutions based on client needs.

This passion led to Scott founding Slyde Innovations in 2016, a manufacturer office storage and space divisional products. In 2018 Scott joined forces with QSO, a minority-owned distributor specializing in curated office furniture solutions.

Today, both Slyde Innovations and QSO stand as leaders in the industry, collaborating with some of the world's most prestigious companies to create dynamic and accessible office environments that prioritize employee well-being and productivity. Scott Lesizza continues to drive innovation and excellence, shaping the future of the modern workplace with his visionary leadership and unwavering dedication.

Store, organize & transport items with ease.

**Paper tray insert**  
Fits up legal sized paper.

**Officebox caddy**

The durable Officebox caddy is made from recycled PET felt material. The Officebox's adjustable strap lets you carry your caddy by hand or shoulder, and secures underneath your caddy when not in use.

**Mini-insert**

**Tray / Lid**

Metal lockable lid secures your items

**Laptop Stand**

Convert any surface into an ergonomic work space with your laptop stand and cable management insert.

**Long-insert**

Use with your laptop riser or as a personal organizer.

**Wireless Charging lid**

Small insert comes with optional integrated wireless charging lid.

## “ The future Workplace

Mobility, flexibility, ergonomics and comfort define our needs in a changing workspace that shifts from the office to the home and everywhere in between. Our new range of solutions suit both situations and seamlessly support our work-styles whatever they may be. An interchangeable kit of parts lets us customize the functions that suit us best. The solution is based around a lockable tote system that slides under the desk or into our custom shelving systems. It can be carried single handedly with our patented handle and shoulder-strap which tucks unobtrusively underneath when not in use. Welcome to the future.
